TO AAT

Dear Sir/Madam

I have been asked to provide this reference letter to Mr. Montasir Wali.

I have known Mr. Wali since 1992 as a friend and as a Community Leader, who worked with me as a Secretary of the Iraqi Cultural Association and as a Vice President of the Iraqi Migrants Council in Sydney. When I visited Iraq in December 2016, I visited him and stayed in his house in Baghdad and met his wife Mrs. Suad Yousif Lefta Aldorkee, who works as a university lecturer in Baghdad.

I am aware that Mr. Wali and his wife would like to live in Australia but his wife's Application has been rejected. I would like to suggest that Australia will be the best place for them to settle as they both speak English and highly qualified individuals, which will be great assets for our Iraqi Community and Australia.

Yours sincerely
